

Dubmones ft Earl 16 - I Believe In Miracles

Promo

Artist: Dubmones ft Earl 16

Title: I Believe In Miracles

Label: Echo Beach

The Ramones In Dub – unbelievable – but true...!

DUBMONES producer André Meyer (production, bass) and Manougazou (production, guitar) were happy after the release their first single “Blitzkrieg Bop” in April 2024 and in summer of the megatune “Pet Sematary”. The third official single release of the album will be “I BELIEVE IN MIRACLES” feat. EARL 16 as a 7” Cut as well as a proper DUB Version and a GAUDI Remix. The following feature

artists are outstanding and we are proud to give vibes to OKU ONUORA !

1. I Believe In Miracles feat. Earl 16 (7” Single Cut)
2. I Believe in Miracles feat. Earl 16, Oku Onuora (12” Dub Cut)
3. I Believe In Miracles feat. Earl 16, Oku Onuora (12” Gaudi Remix)
4. Got Life feat. Oku Onuora, Earl 16 (A Miracle’s Dub Reprise)

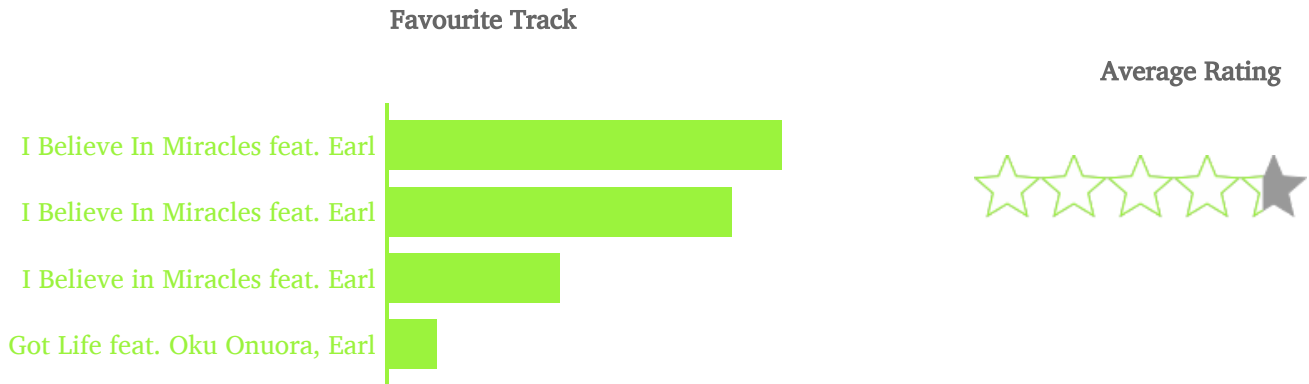

Written by Dee Dee Ramone, Daniel Rey ! Published by Taco Tunes Inc / Rabinowitz Music. Track 4 written by Oku Onuora and the DUBMONES.

ISRC codes : DEH262420731-4

Earl Sixteen has been in the business since the early seventies and shows no sign of slowing down. After apprenticeships with Lee Perry and Boris Gardiner, among others, as well as his milestone "Malcom X", he was omnipresent in the nineties, e.g. as frontman of UK band Dreadzone, Leftfield ("Release the Pressure") and Spacemonkeys vs. Gorillaz.

Oku Nagba Ozala Onuora deserves a place of honour at the end of the list. He is considered the father of dub poetry, not least because of his album "Pressure Drop" (1984 with AK47). He has performed with the greats, ranging from Cedric "Im" Brooks' Lights of Saba to Monty Alexander.
